**RESOLUTION NO. 2026-06**

**A RESOLUTION AUTHORIZING PAYMENT FOR A DEMOGRAPHIC ANALYSIS AND FORECAST STUDY FOR BUTLER COUNTY, OHIO**

**WHEREAS**, the Butler County Finance Authority (the "Authority") is committed to supporting strategic economic development, planning, and long-term resilience across Butler County; and

**WHEREAS**, the Authority recognizes the importance of understanding demographic trends and their impact on economic growth, workforce development, infrastructure, housing, and public services; and

**WHEREAS**, the Authority has received a proposal from International Strategic Analysis (ISA) to conduct a comprehensive demographic analysis and 25-year forecast for Butler County, including evaluation of local, regional, national, and global trends, and the development of strategic recommendations; and

**WHEREAS**, the proposed study will provide critical insights into population trends, labor force dynamics, and long-term economic conditions, and will support data-driven decision-making for the Authority and its partners; and

**WHEREAS**, the total cost of the study is \$7,000, with deliverables to include written reports, presentation materials, and a formal presentation to stakeholders;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Butler County Finance Authority:

**SECTION 1.** The Board hereby authorizes the President & Chief Executive Officer to enter into an agreement with International Strategic Analysis (ISA) for the completion of a demographic analysis and forecast study for Butler County, Ohio.

**SECTION 2.** The Board hereby authorizes the expenditure of funds in an amount not to exceed \$7,000 for the completion of this study.

**SECTION 3.** The President & Chief Executive Officer is further authorized to take all actions necessary to execute the agreement and ensure completion of the study.

**SECTION 4.** This Resolution shall take effect immediately upon its adoption.

Adopted this 29th day of April, 2026.

**BUTLER COUNTY FINANCE AUTHORITY**

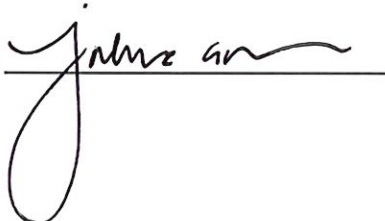

By:   
Chair

March 23, 2026

We thank you for the project request that you made to ISA (International Strategic Analysis) and are happy to present you with our offer for an analysis of Butler County's demographic future and to develop a forecast for Butler County's demographic future over the next 25 years.

The following research and analysis will be provided by ISA to Butler County:

- An analysis of the history of Butler County's population
- An overview of existing forecasts for Butler County's population growth or decline
- An analysis of the problems with these existing forecasts
- An assessment of global demographic trends and how they impact Butler County's population
- An assessment of national demographic trends and how they impact Butler County's population
- An assessment of regional demographic trends and how they impact Butler County's population
- An analysis of Butler County's demographic history
- An analysis of Butler County's current demographic situation
- A determination of the factors that will drive demographic change in Butler County over the next 25 years (Birth rates / Death rates / Immigration / Emigration / Labor force / Economy / Households / Housing / Zoning / Technology / Environment)
- An analysis of the impact of various scenarios on Butler County's demographic future
- Forecasts for Butler County's population in 2030, 2040 and 2050
- An assessment of the impact of demographic change on Butler County's economy
- An assessment of the impact of demographic change on Butler County's infrastructure
- An assessment of the impact of demographic change on Butler County's public services
- An assessment of the impact of demographic change on Butler County's housing
- An assessment of the impact of demographic change on Butler County's healthcare services
- An assessment of the impact of demographic change on Butler County's public finances
- A strategic plan for optimizing Butler County's demographic future

This research and analysis will be provided to Butler County within two months of the signing of this contract.

The deliverables for this service will include:

- The completed project in PDF and PowerPoint formats
- A presentation of the project by ISA President Michael Weidokal
- Any other materials related to the project that are requested by Butler County

The cost of this project will be \$7,000.

The current offer is valid for 60 days. Any major changes will be subject to a new offer. If you accept this offer, please send a signed copy back to ISA by e-mail to [mweidokal@isa-world.com](mailto:mweidokal@isa-world.com).

Sincerely,

Michael Weidokal  
ISA (International Strategic Analysis)
